Dear CACCI Partner:

On behalf of the board of directors of the Caribbean American Chamber of Commerce and Industry, Inc. (CACCI), and the Office of the New York State Secretary of State, the Offices of the United States, New York State and New York City Brooklyn Legislators, we are pleased to invite you to attend the ***Official Opening Ceremony and Launching of the New York State/CACCI 2010 Census, Outreach and Mobilization Initiative:***

- Date/Time: Saturday, March 13, 2010 - 11:00 a.m.
- Venue: Flatbush Caton Market, 814 Flatbush Avenue, Brooklyn, NY

The purpose of this historic occasion is to invite your participation in our collective ***Census 2010*** efforts in order to accomplish the following program goals:

- Focus on increasing low-response to the ***Census 2010*** form by hard-to-count populations;
- Assure immigrant populations that their participation in the Census has no association with Immigration and Naturalization Service (INS);
- Explain to the target populations, the impact of the under-count on government funding and political representation;
- Increase the overall participation of low response communities in the Census 2010.

As our contributing partner, your participation will help to multiply our efforts and significantly increase the overall response to ***Census 2010***. Please respond and register for this NYS/CACCI ***Census 2010*** Launching Brunch. We look forward to welcoming you on this historic occasion.

Warmest Regards,
